I have reserved the pickup, which will easily carry 5 to the meeting in Grand Prairie. It is subject to being used on a hurricane or other pressing response.

Subject Delfasco - briefing for City of Grand Prairie and community meeting in late August 

Folks,

I called Jim Cummings (Environmental Services Director w/ the City of GP) late yesterday afternoon. I briefly explained the movement of Delfasco from RCRA to the Superfund Program, the Superfund enforcement first process (without details), and expressed our hopes that per his request, we would be able to share more solid action plans with him at an August briefing. We tentatively scheduled a briefing on Tuesday, August 5, about 9:30 or 10:00 am at the city office on 201 NW 2nd Street in Grand Prairie for members of his Department, the City Manager, and several City Council members that represent the citizens of the Delfasco neighborhood. It was agreed that the briefing will be an informal meeting. We also discussed the possibility of EPA hosting a community meeting - perhaps in late August.

Mr. Cummings told me that he has already been receiving press calls and wanted to know who at EPA could take the calls. I asked that he refer all media calls to Dave Bary or Tressa Tillman in 6XA. It seems there is also considerable congressional interest and Cindy is working on that aspect.

Tentative Attendee list for the August 5, city briefing:

Pam Phillips or Sam Coleman
Greg Fife
Rick Ehrhart
Beverly Negri/Steve Harper

I'll keep you updated on the meeting plans.
